Source: Auditor analysis of HCD's housing element tracking system data as of November 2024 and findings letters.

Note: HCD's housing element tracking system only records the primary reviewer assigned to each housing element and does not capture other reviewers. Therefore, we present the minimum number of reviewers assigned to each local jurisdiction for the fifth and sixth cycles. Statewide numbers are as of November 2024. All other numbers are as of September 2025.
